

Birthday Party at The Forest Centre

The Thames Chase Forest Centre is based in historic farm buildings situated amidst 140 acres of community forest; land comprising new woodland, meadows, ponds and surfaced paths.

The Education Service gives young people the chance to explore and try different outdoor activities in an exciting and safe environment.

A birthday party at the Forest Centre is a novel way to celebrate

1. Minibeast Hunt/Pond Dipping

Investigate the creatures in the depths of our ponds, or, if you prefer to stay dry, hunt for minibeasts living in the meadow.

2. Orienteering

Find your way around our mapped route to discover the treasure hidden somewhere at Thames Chase.

3. Natural Art & Craft

Collect materials from the woods and use them to create collages and other woodland art.
